REPORTS

SUPERINTENDENT

Dr. Ben-Dov reported on the following:

- 2016-17 School Year concludes tomorrow. It was a very productive year academically. STEAM started last year and “exploded.” New Report Cards and Parent Portal were introduced for grades K and 1. The use of Meaningful Technology to support all learning was extensive to name just few highlights.
- Our two 6th Grade Graduations took place; Cherry Hill School Monday evening at River Dell High School with approximately 700 people in attendance. Roosevelt School was Tuesday evening. It was more intimate in the RS gym and the weather cooperated. Both graduations were very successful.
- Award ceremonies at Cherry Hill School took place this morning with County, State, and National honors. We look forward to the Roosevelt School Awards tomorrow morning.
- Dr. Ben-Dov expressed her gratitude and thanked the entire staff; Administrators, Custodians, Office Personnel, Parents, PTO’s and The Board of Education for their support. With a few gaps in our Administrative staff this year everyone’s support was truly important.

- Dr. Ben-Dov said that it was great to see so many teachers and staff members at the graduations this week and she thanked them for being there.
- Dr. Ben-Dov was pleased to report that all the administrative positions in district have been filled. Tonight the Board will vote on AnneMarie Spiegel (Literacy Coach/Supervisor).
- Roosevelt School certificated positions are filled at this time and Cherry Hill School has a few outstanding classroom teacher's positions to fill. We had one teacher retire and we are moving a teacher from Roosevelt School to Cherry Hill School. We are observing demo's and expect to fill them in early summer along with Leave Replacements.
- Dr. Ben-Dov thanked Joe Bellino, Interim Business Administrator/Board Secretary, for his help from December through our Budget Development. Not an easy process while doing this part time. This is Joe's last meeting.
- Our new Business Administrator/Board Secretary, LuAnne and Dr. Ben-Dov will begin working next week. They will set up committee meetings for the year. Dr. Ben-Dov asked the Board if they would prefer another Wednesday night for committee meetings or a Tuesday once a month.
- There will be a great deal of Curriculum work over the summer; Report Cards for Grades 2-6, STEAM. We will need to add ELA work now or at the July 26th meeting.
- There will possible be additional State Aid to underfunded districts to serve students' educational needs. We are considered an underfunded district. We hope to know by the end of June if we receive our share of (\$297,535.)
- Wishing everyone a Great Summer

Quantitative Goal # 1

by June 2017, the district will increase the amount of services being offered through Region V, resulting in enhanced opportunities for students and cost savings (per unit of service) of at least 5% as compared to 2015-2016. Currently The River Edge School District uses Region V for a variety of related services. Beginning July, 2016, the district will establish increased shared services through Region V. To advance this goal, the Superintendent will conduct a needs assessment to identify potential growth areas for shared services. In addition, the Superintendent will participate in monthly meetings with the Region V consortium to enhance current practices and develop new programs.

(3.33%, \$5,161.50)

Quantitative Goal # 2

By June 2017 the superintendent will conduct 110 walkthroughs using the My Learning Plan walkthrough tool that was specifically created for River Edge School District. Walkthroughs will provide snapshots of classroom lessons and non-classroom staff activities. The goal of the walkthroughs is to establish PD needs and drive differentiated professional development for all staff. The superintendent will also hold three meetings with all administrators conducting the walkthroughs and instructional rounds to establish the needs based on trends being observed and identified by the administrative staff.

(3.33%, \$5,161.50)

Quantitative Goal # 3

The Superintendent will establish the need to define and note the use of meaningful technology in the classrooms. By June 2017, 50% of observations/walkthroughs will note recommendations and/or commendations reflecting the use of **meaningful technology** in grades 3-6 classrooms

(3.33%, \$5,161.50)

Qualitative Goal # 4

The superintendent will provide opportunities for New Family Outreach through informal means as a vehicle for increased participation of new families in school and community events. Starting with a joint venture between RE Board of Education, Mayor and Council, and PTO's at a "kickoff event" on September 15th, new families will be invited to attend informal evenings throughout the year that will help them navigate life in a new culture through the guidance of professional and lay school leadership. (2.5%, \$3,875)

Qualitative Goal # 5

to embark on the creation of two STEAM Labs (one in each building) and initiate the implementation of STEAM projects and activities on all grade levels that reflect the integration of NGSS, technology, engineering, art, and math.
