

RIVER EDGE ELEMENTARY SCHOOLS'

# SUMMER ENRICHMENT PROGRAM

CHERRY HILL SCHOOL

Monday JUNE 26, 2017

THROUGH

FRIDAY JULY 21, 2017

(Closed on Mon. and Tues. July 4, 2017)

PLEASE REGISTER EARLY!

# SUMMER PROGRAM INFORMATION

June 26- July 21, 2017

The River Edge Extended School Year Program, sponsored by the River Edge Board of Education, will begin on June 26 and continue through July 21 (closed on Mon. and Tues. July 3 and 4). Classes will be held daily from 8:30-12:20. Classes will be fifty minutes long and will be based on the following time schedule: 8:30-9:20; 9:30-10:20; 10:30-11:20; 11:30-12:20.

The success of the Enrichment Program depends on the enrollment of students. The cost of tuition per course is \$75.00. Some courses have an additional materials fee, which is noted in the course description. **The complete tuition cost will be collected at the time of registration.** Tuition will be refunded in full up until June 1, 2017. We reserve the right to cancel any course, which does not have the necessary enrollment. A full refund will be made for any canceled classes. **Register your child according to the grade he / she is in this current school year (2016-2017).** **There will be a non-refundable family registration fee of \$5.00.**

**This year's summer program will be held at Cherry Hill School. All drop offs must take place on Bogert Road. No one may park, or drop off in either teachers' parking lots.**

Academic Support courses in reading and math will be offered to provide an opportunity for reinforcement and retention of Academic Support. **ONLY THOSE CHILDREN TAKING PART IN Academic Support OR RESOURCE ROOM PROGRAMS, MAINTAINED BY THE DISTRICT DURING THE CURRENT SCHOOL YEAR, ARE ELIGIBLE FOR THIS TUITION FREE PROGRAM.**

Registration will begin on **Tuesday, May 2 at 8:00 am.** Because of class size limits for many courses, courses will be filled on a first come, first serve basis. Registration will close on June 1, 2017. Please mail in registration or bring to the **Cherry Hill School main office. No registrations will be processed without alternate class choices indicated on the registration form.** Please drop it into the Summer Program registration box located in the Cherry Hill School main office.

A list of summer class enrollments will be displayed outside the offices at Roosevelt and Cherry Hill School. If you require additional information, please e-mail Chris Armen at [armenc@riveredgeschools.org](mailto:armenc@riveredgeschools.org), and someone will get back to you as soon as possible. Thank you for your support and cooperation.

**Chris Armen Director**

# How to Register a Student

**1. Download, and completely fill out the attached Registration Form. (One per student)**

**Be sure to list second choices in case your class is closed or canceled. (Registration forms without second choices selected will not be processed).**

**2. Download, and completely fill out the attached Emergency Form. (One per student) (Early Care Emergency Forms only need to be completed if you are registering for the Early Care Program)**

**3. Mail or deliver the completed forms with a check for the total cost of the classes. All checks should be made out to the River Edge Board of Education. Please include the registration fee of \$5 per family.**

**If mailing, please send to:**

**Chris Armen, Director  
Extended School Year Summer Program  
Cherry Hill School  
410 Bogert Road  
River Edge, NJ 07661**

**If delivering, please bring to:**

**Main Office  
Cherry Hill School  
410 Bogert Road  
River Edge**

**Drop in the Summer Program Registration box  
(Be sure to check the list of current class enrollments before dropping off your registration forms. Many classes fill and close early)**

# ACADEMIC SUPPORT COURSES

Reading and Math are offered to provide an opportunity for reinforcement and retention of Academic Support. **Only those children taking part in the ACADEMIC SUPPORT / Resource Room programs, maintained by the district during the current school year, are eligible for the tuition free program.** Eligible students will be notified prior to registration. **It is your responsibility to register your child for his/her Academic Support class.**

We invite you to register your child as early as possible. Registration opens on Tuesday, May 2 at 8:00 am. Because of class size limits for many courses, classes will be filled on a first come, first serve basis. This includes ACADEMIC SUPPORT. Registration will close on June 1, 2017. Please mail in registration or bring to the Cherry Hill School main office. Please drop it in the Summer Program registration box.

The offices of Roosevelt and Cherry Hill Schools will display a list of summer class enrollments. If you require additional information, please e-mail Chris Armen at [armenc@riveredgeschools.org](mailto:armenc@riveredgeschools.org), and someone will get back to you as soon as possible.

Your cooperation is essential in the success of this program for our students.

*Chris Armen, Director*

# Early Care

The River Edge Schools' Summer Enrichment Program will be offering an Early Care Morning Program for **Students Enrolled in the Summer Enrichment Program**. The Early Care Morning Program will run from 7:30 A.M. until 8:30 A.M. when the students will join the other students in their first period class. The children in the Early Care Morning Program will be under the supervision of Susan Boucher, a senior staff member of the Before / After School Program, that runs during the school year. Ms. Boucher is also a first grade teacher at Cherry Hill School.

The Early Care Morning Program will be capped at 25 students and students will be accepted on a first come, first served basis.

E.C. *Susan Boucher*

**Early Care**

Project Room

We are here at 7:30 A.M. to provide your child with a place to relax, eat breakfast, if they choose (provided by you), play, read, chat and ease into the day with no pressure on them and no worries for you.

Grades: K-6

Cost: \$75

7:30 – 8:30

## SUMMER PROGRAM ENRICHMENT COURSES

### Period I (8:30-9:20)

1. *Mary Jo Armen*      **Gallery of Softies Handmade Creatures**

Your child will become a soft toy designer after taking this class. This class introduces cutting from a pattern, assembling and sewing, using wool, felt, fabric scraps, buttons, and trim. Your child will learn the basics of soft toy design, pattern making, and construction, using a variety of easy hand stitches. At the end of this class a gallery will be presented, and your child will take home some softie friends.

Grades: 4-6

Cost: \$90

8:30-9:20

2. *John Corcoran*      **Model Rocketry I**

Participants will build and launch a model rocket. They will experience, "Hands on" science instruction involving principles of motion and force. This workshop is designed for students with little, or no model building experience. Since we will be working to complete and fly our project, attendance is important.

Grades: 2-5

Cost: \$90

8:30-9:20

3. *Nicole Colon*      **How to Draw**

Children love to draw pictures, but for some, it can be a difficult experience. This class will teach students step by step drawing, using basic shapes to create pictures at all levels. Students will keep drawing pads and experiment with different types of tools. Students will also have the opportunity to add writing to their illustrations.

Grades: K-2

Cost: \$90

8:30-9:20

4. *Kara Cuadra*      **Instrumental Music**

Beginning Players (those who have had NO prior instruction):

Students will be offered *beginning* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 3-6 will receive one group lesson (9 students or less per group) each day.

Daily lessons will enable the students to advance quickly working in a small group setting.

Instruments and method books may be obtained through Mr. Scott's website.

Grades: 3-6

Cost: \$75

8:30-9:20

5. *Michelle Baragona*      **Just Duct-y**

Totes, flip flops, wallets, key chains, flowers, and more can all be made with Duct tape. Find out how to use this "Fix It" tool to make beautiful, useful, take home crafts.

Grades: 5-6

Cost: \$90

8:30-9:20

6. *Kelly Dent*      **Lights, Camera, Action!**  
**Junior Movie Makers**

Come make movies with us! In this class, you can be an actor, a movie director, and a writer. We will work together to learn all about the parts of a movie, how to use a camera, and fun movie tricks like how to make a stop motion video, how to use a green screen, and how to add special effects to movies. You can even tell a story using your toys as actors. At the end of the program, we will have a movie screening party. If you like acting, telling stories and using

technology, this will be a fun class for you!

Grades: K-2

Cost: \$90

8:30-9:20

7. *Kayla Moran*

**Little Legomania**

This class is designed for the little Lego maker in mind! Children in grades K-1 will use their creativity to build vehicles, structures, and cities. Come have fun, learn to share, build cool structures and let your creativity shine!

Grades: K-1

Cost: \$75

8:30-9:20

8. *Katie O'Reilly*

**Pebble, Rock, Stone...Imaginative Art**

With just a few supplies students can try their skills as "rockin" artists! A few rocks, a little paint, and a lot of imagination can turn the ordinary into the extraordinary. Students will explore their artistic side as they turn simple rocks into beautiful artistic pieces like animals, book ends, garden stones, and much much more!

Grades: K-2

Cost: \$90

8:30-9:20

9. *Michelle Attardi*

**Your Way with Clay I**

Clay is fun for all ages. Come be creative with one of earth's most flexible materials. Make pots, sculptures, masks, and reliefs of your imagination using the easy hand-building techniques that have been used for centuries. Students use real clay and glazes and pieces are fired. Students will have a mini art show and critique after each project is completed.

Grades: 1-3

Cost: \$90

8:30-9:20

10. *Reem Bowers*

**Just Bead It**

"Bead"-dazzled by the creations you will make! Necklaces, bracelets, pins, earrings and more! Join us this summer and amaze your friends and family members with the beautiful things you will make!

Grades: 4-6

Cost: \$90

8:30-9:20

11. *Alice Buttery*

**Rise and Shine Yoga**

What better way than to start your day than with yoga? Explore animated poses and basic exercises through creative expression, games, music, art, and storytelling. Decorate your own yoga mat, bring in your favorite stuffed animal or doll for Downward Doll Yoga, and so much more. Don't miss out on this perfect way to start your day. Namaste!

Grades: K-2

Cost: \$90

8:30-9:20

12. *Pat Olski*

**Yarn and Yarns**

This fun introduction to yarn craft is the perfect fit for kindergarten through second graders! We will read engaging stories that explore a variety of yarn traditions. Then, everyone will learn how to manipulate yarn in many different ways to create enjoyable and colorful projects. We will explore easily mastered techniques from pom-poms to finger knitting.

Grades: K-2

Cost: \$90

8:30-9:20

13. *Greg Kupchak*

**Classic Outdoor Games**

Do you love playing outside and getting exercise during the summer? Do you enjoy games and competition? Well, if you said yes to any of these questions, then this class is for you. In this class we will engage in classic summer games like kick the can, capture the flag, stuck in the mud, spud, and blob tag. Even better, you may get a little wet with some water balloon games and team relays.

Grades: 1-3

Cost: \$75

8:30-9:20

14. *Ryan Schmid*

**Basketball Fundamentals and Skills**

Gym

Join the fun and learn the fundamental skills needed to play the game of basketball. Boys and girls will learn a variety of activities and drills to improve ball handling, shooting, passing, and defense, and participate in game play.

Grades: 4-6

Cost: \$75

8:30-9:20

15. *Susan Boucher*

**Leggo my...Lego?**

No need for Tug-of-War, we have plenty of Legos for sharing. Play is one of the most important ways children learn. This class will provide an opportunity to exercise both sides of your brain: creative / imagination and Logic / analysis. At the beginning of each week we will begin creating, and at the end of each week we will dismantle our creations in order to begin again the following week. We're flexible. Build with friends, or independently. Create a city or a superhero. Challenge yourself or take it easy. Most importantly, Have Fun! It's summer, after all.

Please note: If you would like to bring your own Lego people - no other pieces, please - you may. They must be brought in a sealable plastic bag with your name on the outside of the bag. We can not be responsible for loss or damage to your toys.

Grades: 2-3

Cost: \$75

8:30-9:20

16. *Diana Richards*

**Pokemon Fun**

Do you love the Pokemon Games and Characters? Well this class will be a blast for you! We will create all kinds of Pokemon projects that you can bring home, and even play different Pokemon Games. Come have a blast with us!

Grades: K-4

Cost: \$90

8:30-9:20

17. *Leah Taylor*

**Full STEAM Ahead**

The Discovery S.T.E.A.M. class is designed to develop invaluable 21st century skills of critical thinking, collaboration, communication, and creativity. Discovery S.T.E.A.M. integrates Science, Technology, Engineering, Art, and Math through hands-on activities and experiments in a student-centered format. Through the use of these themes, students will explore scientific concepts, engage in the design process, work collaboratively and problem solve to complete a different challenge each week. Students will explore concepts such as gravity, air resistance, forces of thrust, drag and lift, tension and compression, measurement, and more by working together to solve a challenge that relates to the theme.

Grades: K-1

Cost: \$75

8:30-9:20

18. *Nancy Hafers*

**Creative Challenges**

Have fun working with your friends in a team setting on creative problem solving! Various puzzles and brain teasers will be covered, as well as spontaneous problem solving challenges from Odyssey of the Mind competitions. They are a tremendous amount of fun and truly

engage your brain in new ways by forcing you to look at problems differently and creatively suggest solutions. Target audience - any student who likes puzzles, challenges and problem solving, or may be curious to learn more about Odyssey of the Mind for next year.

Grades: 3-4

Cost: \$90

8:30-9:20

19. *Kim Chamberlain*

**Ready, Set, First Grade**

Students entering first grade will enjoy games based on activities, which will help prepare them for first grade. They will enjoy literature based arts and craft projects and work with each other to explore math concepts. They will play fun games to practice fine motor skills as well as coordination. Bring your sunny smiles and get ready for some summer fun!

Grades: Kindergarten

Cost: \$90

8:30-9:20

20. *Maria Garcia*

**Ole! Spanish Crafts and Culture**

When school is out, let the adventure begin. Come and experience Spanish Culture. In this class we will learn different aspects of the Spanish Culture from Hispanic speaking countries. We Will delve into arts and crafts, music, typical dances, food, and much more. In Spain we will dance the Flamenco and make castanets. In Mexico we will dance to Jarabe Tapatio and make pinatas and maracas. In Guatemala we will learn about the legend of the Worry Doll, and we will make them. In Peru we will learn the importance of ojo de Dios (God's eye) as a ritual tool. Colombia enjoys a lesson of salsa dance. In this course we will experience and live all of these traditions and much more. At the end of the course we will celebrate everyone's birthday in true Spanish Culture with pinata and a fiesta.

Grades: 1-3

Cost: \$90

8:30-9:20

**Period II (9:30-10:20)**

21. *Mary Jo Armen*

**Doll Fashionista**

It is a class full of creativity and fantasy. Students will make two 18 inch dolls and their wardrobes. They will have fun while they learn basic hand stitching using a needle, thread, and felt. Children will learn various basic stitching, along with learning how to sew a button while making their projects. At the end of this adventure, each student will have improved his/her fine motor skills, gained a sense of independence, and had the opportunity to be creative. A gallery with the creations of the young artists will be displayed at an open house for parents and friends at the end of class.

Grades: 4-6

Cost: \$90

9:30-10:20

22. *John Corcoran*

**Model Rocketry II**

This is a similar class to Intro to Model Rocketry, but at a higher level of instruction. Participants will build a more challenging rocket. Please do not register for this workshop unless your child has had experience building several model rockets or other model kits. Since we will be working to complete and fly our project, attendance is important.

Grades: 4-6

Cost: \$90

9:30-10:20

23. *Nicole Colon*

**Pinkerellas**

Calling all Pinkerellas!! Come join us as we read our favorite Pinkalicious books! Over the course of the weeks, we will explore each book and make home crafts celebrating our favorite colors, including artwork, invitations and princess wands.

Grades: K-2

Cost: \$90

9:30-10:20

24. *Eric Morgan*

**Wii Fit / Wii Sports**

What?! Exercise and Video games together? That's right...you read it correctly. Join Mr. Morgan for Wii Sports. Students will take part in an interactive new way of exercise that is engaging for all video game lovers. Whether you like sports, video games, or both, this is the class for you. Wii fit will focus on strength, balance, and stretching. Wii Sports will entertain children with the popular sports; boxing, baseball, bowling, and tennis.

Grades: 1-6

Cost: \$75

9:30-10:20

25. *Alice Buttery*

**Yoga for the Mind and Body**

Breathe, relax, and be more flexible in this fun Yoga class. What better way to do Yoga than through games and adventures? Breathing and visualization techniques will help you focus and relax. Yoga poses will be incorporated into games and adventures to develop balance and flexibility. Get ready to shake your Downward Dog tail and come play Yoga!

Grades: 1-3

Cost: \$90

9:30-10:20

26. *Kara Cuadra*

**Instrumental Music**

Band Room

Advanced Players (those who have had one year or more of instruction).

Students will be offered *advanced* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 4-6 will receive one group lesson (9 students or less per group) each day.

Daily lessons will enable the students to advance quickly working in a small group setting.

Grades: 4-6

Cost: \$75

9:30-10:20

27. *Kelly Dent*

**Piano Explorers**

Would you like to learn to play the piano? Let's have fun exploring the piano keyboard together. We'll play fun keyboard games, learn to play a bunch of new songs, and even write our own music! You will be playing the piano every day, so you don't need to have a piano keyboard at home. At the end of Summer enrichment, you will take home a folder filled with piano music that you can play. This is a great introduction to piano lessons for young beginners.

Grades: K-2

Cost: \$75

9:30-10:20

28. *Reem Bowers*

**Just Bead It**

"Bead"-dazzled by the creations you will make! Necklaces, bracelets, pins, earrings and more! Join us this summer and amaze your friends and family members with the beautiful things you will make!

Grades: K-3

Cost: \$90

9:30-10:20

29. *Michelle Attardi*

**Your Way with Clay II**

Clay is fun for all ages. Come be creative with one of earth's most flexible materials. Make pots, sculptures, masks, and reliefs of your imagination using the easy hand-building techniques that have been used for centuries. Students use real clay and glazes and pieces are fired. Students will have a mini art show and critique after each project is completed.

Grades: 4-6

Cost: \$90

9:30-10:20

30. *June Karpowich*

**Entertain Your Brain**

If you're looking for a challenge this summer for your mind, take this class and you will surely find Brain Teasers, logic puzzles, problem solving, and more. This summer, for your brain there is so much in store. Thinking will be the focus of each and every day. Your brain will be exercised and entertained in a very good way! There will be reading, math, history, science and other topics, too- All together they'll make plenty of your brain to do! You'll think, and think, and then think some more, Entertain Your Brain is a class you will surely adore!

Grades: 3-6

Cost: \$75

9:30-10:20

31. *Kayla Moran*

### **Super Doodles**

Do you want to learn how to draw really cool cars, airplanes, animals and sea creatures? This is the class for you! Learn how to draw a Hummer, a Ferrari Testarossa, a F-117 Stealth Fighter, a F-22 Raptor, an octopus, a leatherback turtle and more. Easy step-by-step instructions are provided for you to create fantastic looking drawings.

Grades 2-6

Cost: \$90

9:30-10:20

32. *Nevin Werner*

### **Soccer Stars**

Become a better soccer player by refining and building your skills and learning more about the game. We will focus on one skill each day (positioning, ball control, and shooting) and apply those skills in daily matches. All children should bring their own water bottle and soccer ball.

Grades: 4-6

Cost: \$90

9:30-10:20

33. *Katie O'Reilly*

### **Make a Game**

What do pool noodles, paper plates, marbles, and marshmallows have in common? In this class students will find out! Students will expand their imagination to build games made from common household items! Let's see how we can turn a cup, balloons, and marshmallows into a wicked wild time! Come join the fun!

Grades: 3-5

Cost: \$90

9:30-10:20

34. *Pat Olski*

### **Yarn and Yarns**

This fun introduction to yarn craft is the perfect fit for kindergarten through second graders! We will read engaging stories that explore a variety of yarn traditions. Then, everyone will learn how to manipulate yarn in many different ways to create enjoyable and colorful projects. We will explore easily mastered techniques from pom-poms to finger knitting.

#### **Do You Think It Will Fly?**

Participants will build and fly simple projects. No special skills are required for this workshop. Some activities will have a planned design and others will be experimental.

Grades: 2-4

Cost: \$90

10:30-11:20

47. *Eric Morgan*

#### **Flag Football**

Ready, set, hike! Spend the summer playing and learning about the country's most popular sport. Children will learn the fundamentals of football and gain a competitive edge that can carry forth in their future athletic endeavors. Each day the students will learn the different skill positions of football and participate in drills for that position. At the end of each class, these skills will be put to use in a friendly, competitive game of flag football. Skills consist of route running, fundamentals of catching, throwing, carrying the ball, and much more. I will see you on the field.

Grades: 4-6

Cost: \$75

10:30-11:20

48. *Christine O'Keefe* **Computer Carnival – Games and More**

Hurry! Hurry! Hurry! Step right up to the Computer Carnival where a world of keyboard amusement awaits each and every one of you. The students will enhance their problem solving and computer skills as they explore and evaluate sites on the River Edge Web Site and the Internet that are geared for children. They will play games as they increase academic and

thinking skills. Students will also have an opportunity to design their own web page or create an iMovie if they desire. (No personal information will be given out on the Internet.)

Grades: K-6

Cost: \$75

10:30-11:20

49. *Alice Buttery*

**Fun with Science**

What happens if... ? This is a question that drives scientists of all ages! The students will perform hands-on experiments to answer new questions everyday. Fun, inquiry-based activities will focus the students' desire to explore their natural worlds while developing their thinking and reasoning skills.

Grades: 1-2

Cost: \$90

10:30-11:20

50. *Kara Cuadra*

**Instrumental Music**

Beginning Players (those who have had NO prior instruction):

Students will be offered *beginning* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums.

Students in grades 3-6 will receive one group lesson (9 students or less per group) each day.

Daily lessons will enable the students to advance quickly working in a small group setting.

Instruments and method books may be obtained through Mr. Scott's website.

Grades: 3-6

Cost: \$75

10:30-11:20

51. *Kelly Dent*

**Garageband and iMovie**

Calling all movie directors and movie composers! In this class, you will choose projects that match your interests. Would you like to learn how to plan, shoot, and edit a movie? Using iMovie, you will do just that! Would you like to write your own songs or music soundtracks? Using Garage Band, you will learn to use loops and editing tools, add special effects, and record instruments playing your music. And for the very creative, you can even combine your music and movie to make an original video with a soundtrack. At the end of the program we will have a special screening party. If you've ever wanted to try writing music or making a movie, this is the class for you!

Grades: 3-6

Cost: \$75

10:30-11:20

52. *Reem Bowers*

**Just Bead It**

"Bead"-dazzled by the creations you will make! Necklaces, bracelets, pins, earrings and more! Join us this summer and amaze your friends and family members with the beautiful things you will make!

Grades: 4-6

Cost: \$90

10:30-11:20

53. *Kayla Moran*

**Play-Doh Creations**

Open-ended imaginative play for children in grades K-3 with Play-Doh. Kids can mold, shape, cut and more while socializing with children in the same age group. Children can use accessories and molds to create meals, make faces, decorate a party cake or create jungle friends! Roll, pat or press a body shape using Play-Doh and let the fun begin as you add eyes, ears, a nose and mouth. Or maybe it's all ears, or half animal, half human. Perhaps it's a googly-eyed alien! The possibilities are endless...come have fun!

Grades: K-3

Cost: \$90

10:30-11:20

54. *Katie O'Reilly*

**Make a Game**

What do pool noodles, paper plates, marbles, and marshmallows have in common? In this class students will find out! Students will expand their imagination to build games made from common household items! Let's see how we can turn a cup, balloons, and marshmallows into a wicked wild time! Come join the fun!

Grades: K-2

Cost: \$90

10:30-11:20

55. *June Karpowich*

### **Entertain Your Brain**

If you're looking for a challenge this summer for your mind, take this class and you will surely find Brain Teasers, logic puzzles, problem solving, and more. This summer, for your brain there is so much in store. Thinking will be the focus of each and every day. Your brain will be exercised and entertained in a very good way! There will be reading, math, history, science and other topics, too- All together they'll make plenty of your brain to do! You'll think, and think, and then think some more, Entertain Your Brain is a class you will surely adore!

Grades: 3-6

Cost: \$75

10:30-11:20

56. *Michelle Baragona*

### **Disney Mania**

Do you love Disney? Come create your favorite Disney characters through arts and crafts! Watch your favorite Disney Movies and dance to your favorite Disney Songs. Play Disney board games, and even create your very own paper costume modeled after your favorite character. Create your very own snow globe and design your favorite characters out of Play-Doh.

Grades: K-4

Cost: \$90

10:30-11:20

57. *Michelle Attardi*

### **Printmaking and Sculpture I**

Come enjoy two of my favorite art forms with me. We will explore the worlds of printmaking and sculpture through several different processes. The mediums will be explored separately as well as combined to create sculptures that you can print, and stamps that can be printed on your sculptures. Create sun prints with natural and found objects. Have fun creating your own stamps and images from found objects, foam, clay, cut vegetables, even your fingers. Then put them on paper, clay, fabric, or t-shirts. The second part of this class will focus on sculpture. We will create fantasy creatures, animals, masks, figures, and abstract constructions out of wire, aluminum foil, plaster-craft, clay, recyclables, found objects, paper, and paper mache.

Grades: 1-3

Cost: \$90

10:30-11:20

58. *Nevin Werner*

### **Coding for Kids**

Want to learn how to code a video game, animation, or interactive story? Well, here is your chance! Students will learn how to code using Scratch, educational coding software developed by MIT. They will also have the opportunity to learn how to code robots using Ozobots. How cool! More advanced coding students will also be introduced to other coding languages like Javascript and HTML.

Grades: 3-6

Cost: \$90

10:30-11:20

59. *Pat Olski*

### **Hooked on Yarn**

Did you ever want to learn how to crochet? Learn the basics of this great technique while creating fun accessories and gifts. Crocheting takes nothing more than a hook, yarn, and a desire to create. You will be amazed at how quickly you can learn this great craft, and what awesome things you can design and make.

Grades: 3-6

Cost: \$90

10:30-11:20

60. *Greg Kupchak*

**Classic Outdoor Games**

Do you love playing outside and getting exercise during the summer? Do you enjoy games and competition? Well, if you said yes to any of these questions, then this class is for you. In this class we will engage in classic summer games like kick the can, capture the flag, stuck in the mud, spud, and blob tag. Even better, you may get a little wet with some water balloon games and team relays.

Grades: 1-3

Cost: \$75

10:30-11:20

61. *Diana Richards*

**Card Making**

Attention to all scrapbook lovers and social butterflies. Who needs Hallmark anymore when you can make your own cards! Come learn how to make all sorts of occasional cards using different materials and card making skills. Share with your friends and loved ones your one of a kind cards!

Grades: 4-6

Cost: \$90

10:30-11:20

62. *Ryan Schmid*

**Fun Games in P.E.**

Have fun playing your favorite indoor games from physical education class during the school year. Have fun, practice teamwork, improve your skills, and demonstrate good sportsmanship.

Grades: K-3

Cost: \$75

10:30-11:20

63. *Kara Fenarjian*

**Games Galore**

Do you like using your mind and having fun? Well, step right up, it's time to roll the dice and see where you land. Learn to play board games, card games, and more. Games are a healthy way to interact and learn how to win graciously and lose gracefully. Play new games such as: Guesstures, Don't Scramble the Egg, Catchphrase, Apples to Apples, as well as some old favorites.

Grades: 3-6

Cost: \$75

10:30-11:20

64. *Maria Garcia*

**Ole! Spanish Crafts and Culture**

When school is out, let the adventure begin. Come and experience Spanish Culture. In this class we will learn different aspects of the Spanish Culture from Hispanic speaking countries. We Will delve into arts and crafts, music, typical dances, food, and much more. In Spain we will dance the Flamenco and make castanets. In Mexico we will dance to Jarabe Tapatío and make pinatas and maracas. In Guatemala we will learn about the legend of the Worry Doll, and we will make them. In Peru we will learn the importance of ojo de Dios (God's eye) as a ritual tool. Colombia enjoys a lesson of salsa dance. In this course we will experience and live all of these traditions and much more. At the end of the course we will celebrate everyone's birthday in true Spanish Culture with pinata and a fiesta.

Grades: 1-3

Cost: \$90

10:30-11:20

65. *Leah Taylor*

**Book Club**

Students will read and discuss award-winning books in literature circles. Through teacher led book talks, students will self-select books to read. Literature groups will set reading goals, formulate discussion questions, and lead book discussions. The book club class will read

book series and create academic crafts that align with each book! Book series will include Pete the Cat, Elephant and Piggie, Pigeon books, and Dr. Seuss books!

Grades: K-1

Cost:\$90

10:30-11:20

66. *Nancy Hafers*

### **Creative Challenges**

Have fun working with your friends in a team setting on creative problem solving! Various puzzles and brain teasers will be covered, as well as spontaneous problem solving challenges from Odyssey of the Mind competitions. They are a tremendous amount of fun and truly engage your brain in new ways by forcing you to look at problems differently and creatively suggest solutions. Target audience - any student who likes puzzles, challenges and problem solving, or may be curious to learn more about Odyssey of the Mind for next year.

Grades: 3-4

Cost: \$90

10:30-11:20

67. *Kim Chamberlain*

### **Dr. Seuss Days**

Elephant bird? Daisy growing on top of your head? A fish with long, floppy ears? If you like rhyming and being creative, then this class is for you! As we enjoy the works of Dr. Seuss, you will be strengthening your reading skills, participating in public speaking, and allowing your creativity to shine! Come read, play games, and make crafts with us!

Grades: K-2

Cost: \$90

10:30-11:20

## **Period IV (11:30-12:20)**

68. *Mary Jo Armen*

### **Doll Fashionista**

It is a class full of creativity and fantasy. Students will make two 18 inch dolls and their wardrobes. They will have fun while they learn basic hand stitching using a needle, thread, and felt. Children will learn various basic stitching, along with learning how to sew a button while making their projects. At the end of this adventure, each student will have improved his/her fine motor skills, gained a sense of independence, and had the opportunity to be creative. A gallery with the creations of the young artists will be displayed at an open house for parents and friends at the end of class.

Grades: 4-6

Cost: \$90

11:30-12:20

69. *John Corcoran*

### **Astronomy with StarLab**

Participants will study the night sky at different times of the year with the help of our StarLab, a portable planetarium. Students will work in the Lab and classroom to study such topics as: distances in space, star color and size, constellations, and mythology.

Grades: 4-6

Cost: \$75

11:30-12:20

70. *Alice Buttery*

### **Fun with Science**

What happens if...? This is a question that drives scientists of all ages! The students will perform hands-on experiments to answer new questions everyday. Fun, inquiry-based activities will focus the students' desire to explore their natural worlds while developing their thinking and reasoning skills.

Grades: 1-2

Cost: \$90

1130-12:20

71. *Kara Cuadra*

### **Instrumental Music**

Advanced Players (those who have had one year or more of instruction).

Students will be offered *advanced* instruction in any of the following instruments: Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Drums. Students in grades 4-6 will receive one group lesson (9 students or less per group) each day. Daily lessons will enable the students to advance quickly working in a small group setting.

Grades: 4-6

Cost: \$75

11:30-12:20

72. *Kelly Dent*

### **Summer Drama Club**

Do you like to act or sing? Would you like to be part of a stage crew, working with sound equipment or designing sets and costumes? The Summer Drama Club will explore all of the things that go into putting on a play. You will have fun as you explore the areas of theater that interest you the most, whether on stage or backstage. We will play theater games, learn how to read a script, design sets and costumes, and gain confidence as performers and creators. At the end of the program, you will have the option of performing in a play! Come join the drama club.

Grades: 2-6

Cost: \$90

11:30-12:20

73. *Katie O'Reilly*

### **Let's Get Musical.ly**

Musical.ly is the world's largest creative music video platform! Students will get a chance to make super easy awesome music videos to their favorite songs! We will also get to share our video creations with the friends in the class.

Grades: 2-6

Cost: \$75

11:30-12:20

74. *C. O'Keefe H. Rothschild*

### **Little Magicians**

Children love magic and they love to learn. What could be more natural than to have both?... a workshop that teaches children magic tricks! Not only will your kids have a blast, they will talk about the exciting time they had for weeks to come. The magic tricks that your children will learn are simple, and use common everyday items. Besides being a ton of fun, your children will improve their social interaction skills, hand eye coordination, and their self-confidence! The Little Magicians class will encourage young minds to express their creativity while interacting with one another and having FUN! The class will have a culminating magic show open to all!

Grades: K-3

Cost: \$90

11:30-12:20

75. *June Karpowich*

### **Chess (Beginners to Advanced)**

Learn to play the most popular game ever invented; the game of strategy and problem solving. Chess is the most popular game in the world with over 605 million players worldwide. It is a fun and exciting game that develops thinking strategies and builds concentration. The class is geared for all levels of chess players. Beginners will learn basic game rules and opening tactic moves. Intermediate and advanced players learn sophisticated combinations and strategies and advanced opening moves. Chess will be played both on a chessboard and on the computer.

Grades: 3-6

Cost: \$75

11:30-12:20

76. *Michelle Baragona*

### **Toys for Sheltered Pets**

Do you want to have some creative fun while making a shelter pet feel loved? Come and create cat and dog toys in all different ways. (You'll learn many new, fun skills: sewing, knitting, crocheting, braiding, etc.) When Summer Enrichment is over, we will donate all of the toys we made to a local animal shelter. Have fun with friends, learn new skills, and help a shelter pet feel loved!

Grades: 4-6

Cost: \$90

11:30-12:20

77. *Michelle Attardi*

### **Printmaking and Sculpture II**

Come enjoy two of my favorite art forms with me. We will explore the worlds of printmaking and sculpture through several different processes. The mediums will be explored separately as well as combined to create sculptures that you can print, and stamps that can be printed on your sculptures. Create sun prints with natural and found objects. Have fun creating your own stamps and images from found objects, foam, clay, linoleum, and then put them on paper for stationery or fine art pieces, clay tiles, and fabric or t-shirts. The second part of this class will focus on sculpture. We will create fantasy creatures, animals, masks, figures, and abstract constructions out of wire, aluminum foil, plaster-craft, clay, recyclables, found objects, paper, and paper mache.

Grades: 4-6

Cost: \$90

11:30-12:20

78. *Greg Kupchak*

### **Pokemon Card Club**

Do you want to be the very best? Do you want to catch them all? Well, if you do, join the Pokemon Card Club. You will learn to play the card game and prove you are the strongest Pokemon card collector out there.

Grades: 3-6

Cost: \$75

11:30-12:20

79. *Ryan Schmid*

### **Fun Games in P.E.**

Have fun playing your favorite indoor games from physical education class during the school year. Have fun, practice teamwork, improve your skills, and demonstrate good sportsmanship.

Grades: 4-6

Cost: \$75

11:30-12:20

80. *Pat Olski*

### **Introduction to Knitting**

Knitting is tremendously popular, and with good reason! This traditional craft is relaxing, enjoyable, and creative. In this class, you will learn the basics- from casting on, to knitting and binding off. With these lifelong skills, you will be able to dazzle your friends and family with imaginative items such as bookmarks and mug cozies, stuffed toys and wallets that you made all by yourself!

Grades: 4-6

Cost: \$90

11:30-12:20

81. *Nevin Werner*

### **Future Engineers**

Ever wonder how bridges can hold so much weight? Why rubber bounces so high? Or, what kind of gas microscopic organisms breathe out? Well, here is your chance! Students will have the opportunity to experience hands-on labs and projects focusing on science, technology, engineering, and math and learn about the world around them in this dynamic, fun, educational course.

Grades: 3-6

Cost: \$90

11:30-12:20

82. *Diana Richards*

### **Origami**

Paper folding fun to develop spatial sense and 3D reasoning. The ancient art of paper folding in this 2D world is imperative and allows children to bring in the loss of the ability to think in 3D. Give your child the opportunity to develop necessary life skills through the art of Origami.

Grades: K-3

Cost: \$90

11:30-12:20

83. *Maria Garcia*

### **Ole! Spanish Crafts and Culture**

When school is out, let the adventure begin. Come and experience Spanish Culture. In this class we will learn different aspects of the Spanish Culture from Hispanic speaking countries. We Will delve into arts and crafts, music, typical dances, food, and much more. In Spain we will dance the Flamenco and make castanets.
