Student Code of Conduct 2017-2018

PARENT/GUARDIAN CONSENT FORM

The River Edge Student Code of Conduct establishes standards, policies, and procedures for positive student development and student behavioral expectations. The Harassment, Intimidation, and Bullying policy explains the rules against bullying as well as the consequences for non-compliance. These policies can be found on each school website in the Documents.

All classroom teachers and administrators will review these guidelines in school with students during the first few weeks of each school year. Please familiarize yourself with this important information and review with your child before signing the form below.
