Dear Parents:

This is a reminder to all parents and to those who are new to the school.

With the exception of Bogert Rd / Continental Ave and Cherry Hill School (Directly in front of Main Entrance) No Crossing Guards will be on duty between 11:20 AM and 1:20 PM.

The following posts will continue to have lunch time crossing guards between the hours of 11:20 AM to 1:20 PM:

Bogert Rd / Continental Ave
Cherry Hill School (Directly in front of Main Entrance)

Parents are advised that during lunchtime if their children are crossing at one of the eleven designated crossings which are not be staffed by a crossing guard, and they have a concern about their children's ability to safely cross the roadway, they should either make arrangements to transport their children to and from school during the lunch time period, or have their children remain in school.

This process has been undertaken with the cooperation of the respective schools, and the utmost consideration for the safety of the children.
