## Reception

### REPORTS

#### SUPERINTENDENT

Dr. Ben-Dov reported on the following:

- Dr. Ben-Dov congratulated four of our Board Members that received an award from New Jersey School Boards Association: Mrs. Myers received the 10 Years of Service Award, Ms. Dansky received the Janet Lobsanz Award, Mr. Sim received the Certified Board Leader Award, and Mr. Herbst received the New Board Member Award.
- Dr. Ben-Dov gave a follow up from the Architects presentation on June 10<sup>th</sup>. She stated this meeting was the first of many future meetings we will have to discuss our long-term plans for the District. She said the first thing we will do is narrow down the demographer's proposal and consider it as a first step to formulate our plans depending on expected enrollment. She also stated she has received positive feedback from parents regarding this meeting and the transparency of the District as plans are considered. She stated regarding our short-term plans we are modifying the Cherry Hill School Library after school is completed to create an instructional area. Mr. DiCara called Dr. Ben-Dov with an update and suggested to not put in the window and the

mechanicals for now so we stay under the \$40,000 threshold. The window and mechanicals can be done next year as a separate project.

- Dr. Ben-Dov gave a follow up on the Sixth Graders wanting River Dell High School students to come and speak to them about social media. It happened last week at both schools. They came and spoke to the students in small groups. It was fabulous and we will plan for this to happen again next year, earlier in the year.
- Dr. Ben-Dov attended both PTO meetings last week and gave them an end of the year report and addressed Girls Who Code and parent engagement. She received some good ideas at these meetings which will be considered.
- Dr. Ben-Dov discussed some Summer School Academic Support modifications. She said we are moving forward and we already had an orientation session with our curriculum team and the teachers that will be doing the summer intervention so that they are prepared to target students' specific needs.
- Dr. Ben-Dov gave a SPAN meeting feedback. She stated we received recommendations from Stephanie who is the State Facilitator. She was very impressed about all the improvements we already made and she is meeting with our team this Friday. We will develop an action plan.
- We will no longer be using First Class for our District emails anymore. We will replace it with Gmail over the summer. This will require some training but is more promising and reliable than our current email platform.
- We had our STEAM Celebration/Open House on Thursday, May 30<sup>th</sup>. It was very well attended with a very large crowd in both schools. We are thinking of some modifications due to the number of people who attend this event.
- Dr. Ben-Dov gave a follow up on our social/emotional plans. We made some progress in having K-3 grades committing to Responsive Classrooms. We are sending our Principals, Ms. Moran, Mr. James, and three teachers for this training. Dr. Ben-Dov will attend training in July for an upper grade social/emotional initiative: Dylan's Wings of Change. Ms. Moran and Mr. James will attend this training in August.
- Last week we received a memo from the Department of Education stating Bergen County was divided into three cohorts regarding QSAC. The cohorts were not even, with cohort 1 being much smaller than the other two. They are looking for volunteers to be monitored for QSAC again next year. Dr. Ben-Dov hasn't yet decided but is considering volunteering for this.
- Dr. Ben-Dov announced that Ms. Hafers received a grant sponsored by the Bergen County Utilities Authority for Hydroponics and a composter for recycling. Each school received a \$1,000 grant.
- The three students that attended the National Science Championship in Atlanta Georgia completed the contest. John Kim was awarded the Health Healer Championship Award for knowledge related to health and medical science nationally, Ashish Panicker won 5<sup>th</sup> place overall nationally, and Sarvesvaran Vivekanandan won 6<sup>th</sup> place overall nationally. She congratulated our students on their achievements.

## **PRINCIPAL**

Mr. Henzel reported on the following:

- We have been busy with placements, interviews, demo lessons, field days and other end of the year business.
- We had a very successful Kindergarten orientation. I am looking forward to our parent information sessions coming up in the summer. We have two scheduled.
- Mr. Henzel thanked Mr. Urban for a great job with the second grade play. He is looking forward to the third grade recorder concert this Friday. Mr. Henzel also thanked the Roosevelt School PTO for putting on an awesome carnival for the students this past Friday.
- We have a few more big events coming up such as graduation on Monday night, our awards ceremony next Friday, and of course, our final Family Meeting of the year.
- While the past school year went very fast, it was a great and successful year

## **BOARD SECRETARY**

Mrs. Napolitano reported on the following:

- Governor Murphy signed the School Security Grant on June 7<sup>th</sup>. This will require all New Jersey Schools to install silent panic alarms that link to law enforcement. We have already installed panic alarms in our buildings this school year.
- Mrs. Napolitano thanked the Board for allowing her to attend the NJSBA Convention this month. She spoke about the many informative workshops she attended.

## **PRESIDENT**

Mr. Herbst reported on the following:

- Mr. Herbst reminded the Board that the Board Retreat will be this Saturday, June 15<sup>th</sup> at Fairleigh Dickinson University at 9:00 AM. There will be four main presentations that day. He is looking forward to it.
- Dr. Ben-Dov finished her part of the Superintendent's Evaluation. Mr. Herbst would like the Board to get their part completed by Friday.
- The Senate Bill S3755 covers consolidation. Mr. Herbst was thinking of working with other districts that are K-6/K-8 that would fall into this consolidation plan and get a resolution going to submit to the Delegate Assembly that would oppose the Consolidation Plan.

## **COMMITTEES**

- Ms. Dansky stated that Finance and Facilities met on June 3<sup>rd</sup>. They spoke about the Cherry Hill School Library classroom project, the After School Program, the HVAC project, the evaluations of our buildings, summer projects, and the Interlocal Agreement.
- Ms. Kang stated that Curriculum and Instruction met on June 3<sup>rd</sup>. They spoke about the 2018-2019 goal achievement in ELA and Mathematics, summer work, tool kits, and social/emotional learning.

- Mr. Sim stated that Personnel and Management met on June 3<sup>rd</sup>. They spoke about summer school steps, the revised job description for the Assistant Principal position and the Assistant Principal transition.
