RECRUITMENT, SELECTION AND HIRING

The River Edge Board of Education guarantees equal employment, advancement opportunity and equal pay for equal work for all people regardless of race, creed, color, national origin, nationality, ancestry, age, sex, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, atypical hereditary cellular or blood trait of any individual, disability or because of genetic information or refusal to submit to or make available the results of a genetic test, pregnancy or other conditions not related to the duties and responsibilities of the job.

The board believes that the quality of the professional staff in large part determines the quality of the education offered district students. Therefore, the superintendent shall have the responsibility of locating and recruiting the best qualified candidates to provide for the identified needs of district students. Recruiting practices shall include measures for targeting underrepresented populations in every category of employment.

Provisional teaching candidates shall be given equal consideration with all other candidates for teaching positions. The superintendent shall follow all requirements of the administrative code in providing the necessary training program for all teachers hired with provisional certificates.

In accordance with the Every Student Succeeds Act, all teachers hired by the board for programs in the district supported with Title I, part A funds shall meet the State certification and licensure requirements. All teachers of core academic subjects (English, reading/language arts, mathematics, science, foreign languages, civics/government, economics, arts, history and government) hired by the board possess the appropriate certification including having a bachelor's degree from an accredited institution of higher learning and:

- A. Complete an undergraduate major in the appropriate subject area;
- B. Hold a graduate degree in the subject area; or
- C. Complete at least 30 credits in a coherent sequence of courses appropriate to the subject area.

The superintendent or his or her designee shall ensure that the district's employment application process and pre-employment inquiry and interview process conform to the guidelines of the New Jersey Division on Civil Rights and the Law Against Discrimination.

It shall be the duty of the superintendent to see that persons nominated for employment shall meet all qualifications established by state or federal law, including the successful completion of a criminal history check, proof of citizenship or eligible alien status, and certification for the type of position for which nomination is made.

The superintendent shall take steps to verify the academic credentials of any potential candidate for employment, and ensure any degrees cited, academic coursework or credits completed, or titles claimed by an individual have been granted by an accredited institution of higher education. For superintendent candidates, the board shall take similar steps. Documents shall not be accepted from non-accredited institutions or any fraudulent source. If a current employee is found to have obtained employment, tuition reimbursement or increased salary based on documents or credentials obtained from a non-accredited institution, the board will take appropriate action, up to and including the possible discharge of the individual and/or obtaining a refund of the tuition reimbursement or increased salary.

The superintendent shall recommend for employment those individuals who, in his/her opinion, are best

The superintendent shall prepare and maintain job descriptions that define the duties, responsibilities and qualifications required for each position. The board shall adopt those job descriptions required by law or code and others as appropriate.

The superintendent in determining the candidates to be nominated shall seek information whenever possible from the candidate's prior employers.

The board shall affirm employment and initial placement on the salary guide by a recorded roll call majority vote of the full membership of the board.

The board shall appoint all staff members only from nominations made by the superintendent. Should a nominee be rejected, it shall be the duty of the superintendent to make other nominations.

Should a nominee be rejected, it shall be the duty of the superintendent to make other nominations.

The fact that an employee is either domiciled or owns a home or property in the State of New Jersey shall not by itself satisfy the requirement of principal residence.

Exemptions

- A. An employee hired on or after September 1, 2011 who is not a resident when hired shall receive one year to establish residency in New Jersey. If the employee fails to establish residency within that year, he/she shall be deemed unqualified for employment and shall be removed pursuant to N.J.S.A. 52:14-7(d);

- C. An employee hired by the district who was a non-resident public employee prior to September 1, 2011 is exempted from this policy. However, if he/she has had a break in public service for a period of time greater than seven days this exemption shall not apply;

RECRUITMENT, SELECTION AND HIRING (continued)

The decision on whether to approve an application of the employee shall be made by a majority vote of this committee. If this committee fails to act within 30 days after receipt of the employee's application, no exemption shall be granted and the residency requirements set forth in this policy shall be in effect.

If the review is conducted by telephone or cellphone the results of the review shall be documented in writing by the district employee assigned to conduct the review.

Notification of these penalties shall be on all applications for employment for positions which involve regular contact with students.

Review of Out-of-State Employment History

A review of out-of-State employers that are part of the employment history of the applicant shall be conducted and the employers listed by the applicant contacted. The superintendent or his or her designee shall ensure that the employment history review conducted with an out-of-State employer is documented with specificity as to the diligent efforts made to:

- A. Verify the information provided by the applicant; and
- B. Obtain the information requested from any out-of-State employers listed by the applicant.

- C. That special or emergent circumstances exist that justify the temporary employment of the applicant.

When the review of an applicant’s employment history reveals that the applicant has a history of sexual misconduct or child abuse, the applicant shall be disqualified from employment with the district without grievance or appeals procedures or tenure proceedings pursuant to any collectively bargained or negotiated agreement or any law, rule or regulation.

The district shall respond to requests for employment history information pertaining to former or current district employees in compliance with law, within 20 days of the receipt of the request and former employee’s consent to release the information.
