MISSION STATEMENT

The River Edge School District is a partnership of students, parents, staff, and community members. We are dedicated to providing a supportive environment in which all students can reach their maximum academic potential, while developing as responsible citizens who respect individuality. Our goals will be achieved because:

- curriculum and instruction are aligned with the New Jersey Student Learning Standards
- all decisions reflect the academic, social/emotional and physical needs of pre-K to sixth grade students
- cooperation and on-going communication exist between the school district and the community
- school administrators and the Board of Education work together to assess and adjust procedures in response to new mandates and the changing needs of the community
