2014 - 2015 School Calendar Discussion

Aidan Brignola (Dr. Ben-Dov) explained to the audience that this is the time of year the school district plans for the 2014-2015 School Calendar. He spoke about the considerations and challenges in planning a calendar. He also asked some questions to consider when reviewing the proposed calendar. The questions he asked were: Should we offer families a short or a long February break? What will each choice mean for the ending of the school year? When should we “plug in” Professional Development for Teachers? Are half days useful school days? How many snow days should we have? What to do if we use more than allocated/what to do if we use less? And what other questions might we have about the calendar. A discussion took place on the questions Aidan Brignola (Dr. Ben-Dov) asked.
